ADDENDUM NO. THREE

Date: July 3, 2013

ITB No. 13-0607

**ITB Title: Storm Water Pipe/Water Quality Unit
Cleaning, Video Recording, and Related Services**

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum ____ does **X** does not change the date for receipt of bids or proposals.

This addendum is issued to address questions received prior to the deadline.

Question 1: Has the county had similar projects(bids) of this type? If so has the county used a registered dumpsite and where is this located?

Answer 1: Yes, the County has had similar projects/bids of this type. It is the responsibility of the vendor to dispose of all debris removed as a result of cleaning. The vendor may use any approved State Permitted Facility. Tickets documenting proper disposal is required with the submittal of the invoice.

Question 2: Will there be an average dollar amount for purchase orders?

Answer 2: The Project Order Forms will be issued for work on an as-needed basis. There are no guarantees of the volume of work to be performed, except in regards to the annual cleaning of the water quality units.

Question 3: The pricing section of the bid has light, medium and heavy. This is understandable for pipe cleaning but it's also listed for plug installation and removal, dewatering and video recording. Can you please explain how these pertain to the items other than cleaning?

Answer 3: This has been addressed with the issuance of a revised pricing form, posted with Addendum Two. The light, medium, and heavy descriptions do not apply to the plug installation and removal, dewatering, and video recording services.

Question 4: Box culverts come in a range of sizes and lengths. Can the county supply a list of the box culvert dimensions and such?

Answer 4: The County does not maintain an inventory of all box culverts; therefore, a list of box culvert dimensions cannot be provided.
